The Data Extractors meeting on Wednesday 04/13/2022

- Meeting started when class was over.

- Discussed how to handle dependencies.

- Discussed the progress of the parser and when it could possibly be complete.

- Discussed when we'd be ready to start testing our program.

- Reached out to Mr Tang for documents to use for testing.

- Discussed the final parts of the parser that parses tables as well as number lists.

- Meeting ended approx 8:30pm

The Data Extractors meeting on Tuesday 04/19/2022

- Meeting started approx 6:15 pm on campus

- Discussed dependencies and how to implement that script into the beginning of the program.

- Discussed what works and doesn't work on the program so far and how to go about fixing other aspects of the program.

- Discussed testing to find and fix problems.

- Discussed how to implement more abstraction so the program is more user friendly.

- Meeting concluded approx 7:00 pm
