The Data Extractors meeting on Thursday 3/24/2022

- Meeting started at approx 6:10pm via Zoom.

- Brief overview of our design with feedback from Mr. Tang.

- Talked to Tang about switching libraries and he agreed if we need to switch up how we need to code this project.

- Each member was going to research the new library we are using and continue to write code for program.

- Completed our bi-weekly progress report.

- Until the next meeting each member will .

- Meeting ended approx 7:00pm.
